

[GET] Gracie (Bayside Academy Book 1)

CONTINUE ►

Being forced to move half way around the world wasnt exactly what I had planned for my senior year. But then again, neither was Bayside Academy. I havent seen my brother in almost two years and he hates me. At least, I think he does. He goes from treating me like dirt one minute, to standing up for me the next. I wish he would just make up his mind. And then there is Noah. My brother told me to stay away from him, but the more I get to know him, the more I like him. Hes my only friend right now and I need an ally. On top of my crazy new life, somebody is out to get me. Theyre leaving me mysterious notes, but I cant figure out who. I need to find out before somebody gets hurt, or worse. Gracie is book 1 in Bayside Academy. Book 2, Unraveling Gracie, is coming April 21, 2017! This book was originally posted as 3 separate episodes. Everybody asked for longer books, so I combined the first three episodes and made each book hereafter full length! Enjoy!
