This program is read by the author. "This book feels like a real conversation. When we enter Retta's world we are at the best party and in the hands of a gracious, self-perceptive, and deeply hilarious host." (Amy Poehler) In this hilarious audiobook essay collection, Parks and Recreation star Retta shares the stories that led to her success in Hollywood. In *So Close to Being the Sh*t, Y'all Don't Even Know*, Parks and Recreation star Retta takes us on her not-so-meteoric rise from roaches to riches (well, rich enough that she can buy \$15,000 designer handbags yet scared enough to know she's always a heartbeat away from ramen with American cheese). Throwing her hardworking Liberian parents through a loop, Retta abandons her plan to attend med school after graduating Duke University to move to Hollywood to star in her own sitcom - like her comedy heroes Lucille Ball and Roseanne. Say what? Word. Turns out Retta might actually be on to something. After winning Comedy Central's stand-up competition, she should be ready for prime time - but a fear of success derails her biggest dream. Whether reminiscing about her days as a contract chemist at GlaxoSmithKline, telling "dirty" jokes to Mormons, feeling like the odd man out on Parks, fending off racist trolls on Twitter, flirting with Michael Fassbender, or expertly stalking the cast of Hamilton, Retta's unique voice and refreshing honesty will make you laugh, cry, and laugh so hard you'll cry. Her eponymous sitcom might not have happened yet, but by the end of *So Close to Being the Sh*t*, listeners will be rooting for Retta to be the next one-named wonder to take over your television. And she just might inspire you to reach for the stars, too. **DISCLAIMER:** "We cannot guarantee the availability of this ebook on an external site."
