Andrew's father died when he was a baby, his mother is away all day at work, and now his beloved grandfather must go to the hospital. Upset and worried, Andrew begins to soil. With a visit to the pediatrician and to a therapist, Andrew gets the treatments he needs to feel better and start using the toilet again. This book contains a Note to Parents by psychologist Virginia Shiller, PhD, on the topic of soiling (encopresis), its causes, and its treatment.
