

[Download] Traversing the Ethical Minefield: Problems, Law, and Professional Responsibility, Third Edition (Aspen Casebook Series)

CONTINUE ►

Using compelling problems and other pedagogical strategies for conveying materials effectively and memorably to students, this innovative casebook covers a wide range of ethical issues and challenges facing the practicing attorney. Short enough to provide focus but long enough to convey the rich texture of the material, *Traversing the Ethical Minefield* is student-friendly and highly teachable. The Third Edition introduces new coverage of social networking and how this emerging phenomenon is shaping the law governing lawyers. Features: Comprehensive coverage of a wide range of ethical issues through a combination of relevant and interesting problems, cases, ethics opinions, and thematic notes that showcase and clarify the developing law governing lawyers. Student-accessible, teachable problems encourage nuanced explorations of the Model Rules, Restatement, cases, and materials, suited to both large- and small-classes. Short stories illuminate ethical dilemmas in the context of legal practice. Original thematic mini-law-review notes introduce students to the vast commentary about the legal profession and the law governing lawyers, organized around recurring themes: Lawyers' roles in

representing clients. The law governing lawyers. The limits of the law. Practice pointers. Lawyers and other professionals. Lawyers in practice. Text is short enough to cover in a typical course but detailed enough to provide thorough treatment of the issues at hand. Annual statutory supplement with bound-in CD of state codes. The revised Third Edition includes new material covering: The effect of social networking and social media on the practice of law. Developing ethical challenges to lawyers practicing in a networked world.
