THREE heartwarming series full of love, mystery, humor, and compassion. Thirteen books in all! The books of the first series, Brides & Twins have been on the Amazon best sellers lists in Western & Frontier, Religious and Inspirational, and Western Romance categories. It is my most loved series! The second two series of this Mail-Order Bride Romance Compilation have never been published and are exclusive to this box set. The stories are on fire with love, compassion, and faith! Brides & Twins Series Mesquite, Texas, mid-late 1800's Join the honest, hard-working ranchers and strong, courageous brides of Mesquite, Texas as each couple blazes their path to love. Starting out with Molly O'hara, a Southern Belle from the war-torn South who falls in love with a tortured war hero. Then along comes four sisters, one by one from Pittsburg, all falling in love with the handsome ranchers of the Kennesaw and Turner Ranches. A Soldier's Love, Book 1 Taming the Rancher, Book 2 The Wrong Bride, Book 3 A Surprise Love, Book 4 The Last Sister's Love, Book 5 Brides of Miller Ranch Series (Exclusive to this compilation!) Wyoming Territory, 1840's This is a beautifully written series where less than perfect brides and cowboys find perfect true love. Sparks fly around every corner at Miller Ranch in unexpected ways and all with God's blessing. The Love He Didn't Want, Book 1 Love Beyond Words, Book 2 Love in Plain Sight, Book 3 Brides of Prairie Bluff Series (Exclusive to this compilation!) Prairie Bluff, Alabama, 1860's The mail-order brides of Prairie Bluff have all dealt with fall-out from the Civil War in some way or another. Some brides want to escape the narrow minds of their fathers while others have been left with nothing and have no other options but to find a husband elsewhere. The men of this series are outlaws gone good, doctors, and ranchers. A Bride's Treasure, Book 1 Love Sees no Scars, Book 2 The Humbled Southern Belle, Book 3 A Bride's Freedom, Book 4 A Past Uncovered, Book 5 AUTHOR'S NOTE: These PG rated stories range in length from 15,000 – 30,000 words each. Fans of the Brides & Twins Series tell me they hated to see the series end. If you've never read my books, this would be a great place to start! They truly are all heartwarming, inspirational stories. Guaranteed to keep you up reading late into the night!
