**CONTINUE ►**

Far too often artists find themselves having to compromise their art and their life because they were not taught accurate up-to-date methods for dealing with business situations. Because of this lack of preparedness artists miss out on valuable opportunities, financial rewards, and access to receptive audiences. This book aims to help all artists everywhere avoid these pitfalls and get on the track to success on their own terms. Whether you are a gallery- bound artist, a public artist, an emerging artist, a hobbyist, a crafts-person, a student, or a seasoned artist in need of a tune up, this manual is meant for you. This comprehensive book is informed by decades of experience and years of research into how to perform as a professional artist in the 21st century art world (or worlds). This book is filled with easy-to-follow instructions that will help you do everything -- archive your work, start a mailing list, write a grant, and everything else you can think of. This straightforward book even addresses topics you may not think you need to know about now, but you sure will later! Consider this a handbook for all your artistic endeavors. This book is written and designed to empower you to take your future into your own hands.
