This Leading Edge work by Esther and Jerry Hicks, who present the teachings of the Non-Physical consciousness Abraham, explains that the two subjects most chronically affected by the powerful Law of Attraction are financial and physical well-being. This book will shine a spotlight on each of the most significant aspects of your life experience and then guide you to the conscious creative control of every aspect of your life, and also goes right to the heart of what most of you are probably troubled by: money and physical health. Not having enough money or not having good health puts you in the perfect position for creating more of that which you do not have. This book has been written to deliberately align you with the most powerful law in the universe—the Law of Attraction—so that you can make it work specifically for you. Money, and the Law of Attraction is formatted in five, vibrant essays: Part I – Processing of Pivoting and Positive Aspects; Part II – Attracting Money and Manifesting Abundance; Part III – Maintaining Your Physical Well-Being; Part IV – Perspectives of Health, Weight, and Mind; Part V – Careers, as Profitable Sources of Pleasure. CD NOT INCLUDED.
