They say size doesn't matter... Football star and internet sensation Gavin "Anaconda" Adams is the biggest celebrity our little town has ever seen. But I had no idea who he was when I accidentally walked in on him naked. I was shocked, seeing all of him, a cocky grin on his face. I didn't know what to do. So I ran. Now I'm in a world of trouble. No matter what I do, I can't get that image out of my head. His strong muscular thighs. His washboard abs. His big, throbbing, toe-curling... Jesus! To make matters worse, Gavin wants a date with me. He's seen the lust in my eyes, and he's not taking no for an answer. I should tell him to get lost. He's nothing but trouble, and he's only here for a week. But with one look, I go weak in the knees. And whenever I hear his deep, rich voice, I feel my defenses crumbling. It's only one night. What could it hurt? Anaconda is a full-length Sexy Romantic Comedy with an HEA, no cheating, and no cliffhanger!
