Her Darkest Nightmare, first in an electrifying new series from New York Times best-selling author Brenda Novak. The hunt for a serial killer... Evelyn Talbot knows that a psychopath can look perfectly normal. She was only 16 when her own boyfriend, Jasper, imprisoned and tortured her - and left her for dead. Now an eminent psychiatrist who specializes in the criminal mind, Evelyn is the force behind Hanover House, a maximum-security facility located in a small Alaskan town. Her job puts her at odds with Sergeant Amarok, who is convinced that Hanover is a threat to his community, even as his attraction to beautiful Evelyn threatens to tear his world apart. Begins with an escape from her past. Then, just as the bitter Alaskan winter cuts both town and prison off from the outside world, the mutilated body of a local woman turns up. For Amarok this is the final proof he needs: Hanover has to go. Evelyn, though, has reason to fear that the crime is a personal message to her - the first sign that the killer who haunts her dreams has found her again and that the life she has so carefully rebuilt will never be the same.
