Media law constantly changes, with new cases and controversies cropping up daily. Written in a student-friendly style for undergraduates, Mass Media Law leads the market with a current and comprehensive approach to the most relevant aspects of mass media and communications law in the United States. This text covers a vast array of topics, from the history and adoption of the First Amendment, to the most recent judicial opinions, statutory enactments, and regulatory controversies affecting speech and press across the print, broadcast, cable, and Internet media.
