Practice and review questions for all sections of the new 2016 SAT are presented on this set of 500 revised and updated flash cards. The math cards include 75 important math facts and 25 valuable strategies that students need to know in order to answer SAT math questions successfully, as well as 100 sample SAT problems in multiple formats. The grammar cards present multiple-choice questions in proper sentence construction. The vocabulary cards present two words per card with definitions on the reverse side—a total of 200 new words for test takers to learn. These boxed cards are designed with a punch hole in one corner. The hole can accommodate an enclosed metal key-ring-style card holder that students can use to customize study on the go.
