Darach MacKenzie vowed never again to let a woman near his heart after his betrothed betrayed him. It sparked an intense feud between his clan and the Frasers, and now he can't be distracted - not even by a sweet and charming lass who desperately needs his help. This Highland Laird will find a way to have both. When Darach rescued Caitlin MacInnes from the clutches of vile Laird Fraser, she vowed to never let men or misery rule her life again. With Darach and the MacKenzie clan, Caitlin finally feels safe. But when Laird Fraser shows up to claim what's rightfully his or go to war, Darach will have to use all his brawn and brains to protect Caitlin - even if it means losing his heart.
