Ppg3v [Free PDF File] C'Yani and Meek: A Dangerous Hood Love

C'Yani Bailey is your average workaholic and will do anything, for anyone. However; society portrays her to be conceited, a woman who turns her nose up and looks down on others that aren't in her position. Unfortunately; it's the exact opposite of who she really is. Something tragic happens in her life, which makes her shut down. The man in her life doesn't seem to care and finds comfort elsewhere; leaving her to deal with the devastation alone. She decides to enjoy a night out with her sister that ends up in a disaster as well. Two months later, a man enters her life and is the exact type she's sworn off. It's nowhere near a love connection between the two. However, C'Yani decides to step out her comfort zone and ends up in a world she knew nothing about. She enjoys the ride, but the obstacles to staying happy, constantly overshadow the relationship. Her past can't seem to stay there, while her future has skeletons of his own. Will C'Yani go back to living in a bubble or will the love she has for the new man make her stay where she is?
