candy, costumes...and a ghost. Once again, Lacey Luzzi hasn't signed up for any of it. Except the candy. But when Carlos corners her with a very special request, she can't bring herself to say no. With three days to Halloween, Lacey is drawn into a high stakes mission where she's forced to investigate those closest to her - and they don't like it. However, Lacey doesn't have a choice. If she can't expose the traitor in time, the Luzzi Haunted House may take a turn from spooky, to downright scary.** ** Lacey Luzzi: Spooked is a full-length, humorous cozy mystery with a strong female protagonist in the spirit of Janet Evanovich's Stephanie Plum, albeit one working for the wrong side of the law... Note: This book can be read as a standalone, though it is part of a larger series and not all plot lines are resolved in a single book.It is rated a strong PG-13 for sarcasm and mild language. No graphic gore or sex.
