Sometimes when you bet in Sin City, it's double or nothing. Aurora: I was supposed to go to Vegas with my sister, But she canceled at the last minute. I could handle Vegas on my own, right? Surely nothing bad would happen. But that's exactly what did happen. And it wasn't just one bad thing, it was two. Ryker and Cole. Ex-Marines. Best friends. Hot-as-sin. And they don't just want me. They want to share me. If they can handle my secret. Ryker: I wanted those gorgeous curves the second I saw Aurora. Then Cole decided to make it a bet. The stakes were high. I wanted her bad enough to take the risk, Even if I had to share her. Cole: Things weren't going good for me in Sin City. I needed a distraction. Then I saw one, and she was more than a distraction. She was flawless. Absolutely perfect, with curves that drove me wild. Except she's not what she seems. Then again, neither am I. Not even Ryker knows what I'm really up to in Vegas. This is a steamy MFM novella and the fifth in the Nevada Bad Boys series. Each one is a STANDALONE. This is a bad boy romance with plenty of heat. This time, you get to fall in love with TWO Nevada Bad Boys at the same time. Go ahead, you owe it to yourself.
