## UglpU [GET] The Little Book of Successful Secrets: What Successful People Know but Don't Talk About

Have you ever wondered why some people just seem to keep winning in life while others seem to be on downward spirals? People who reach the great heights of success all have one thing in common: They understand how to use one powerful law of the universe. With the knowledge found in this book, I was able to create a life that most people consider a fairy tale. I earn over \$360K every year through passive income, working from home. I go on at least seven vacations to exotic places all over the world every year. I have a wonderful marriage, with three beautiful children. I live in a half-million-dollar home (that is nearly paid off). I am a best-selling author who has sold out in different countries. And I am the CEO of the largest self-help YouTube channel, YouAreCreators. I did all of this using what most people call the law of attraction. Inside this book you will learn: How to create a vision with purpose The twin forces that determine your destiny How to set magnetic goals that pull you toward them Everything you need to know about visualization Wealth attraction Finding your purpose Empowering self-talk And much more...
