COLLISIONVeronica Langleys life has been coming up roses. Shes well on her way to becoming a world-renowned actress and her latest movie will surely be a big hit at the box office. Shes basically winning at lifeUntil now. The emergence of a mysterious stalker, hell-bent on taking her no matter what, has put a wrench into Veronicas perfect life. After a foiled kidnapping attempt at her latest project, her agents are left with no choice but to hire a Delta Protector. Jason Keyes had been content serving as part of the Delta Force until a mission goes awry and the blood of his beloved comrade stained his hands. Desperate for escape, he leaves the military and goes back home, only for his old friend Chase to offer him a job he cant refuse: to protect Veronica Langley. As their differences collide and each of them battle to get their way, will their passionate arguments lead to something more? Or will their bullheaded personalities clash and spell death for the both of them?TORN APARTGeorgiana Pratt, aka George, is sick and tired of living under her parents rules. She yearns for the day when she can finally spread her wings and make decisions for herself. Studying at a university far, far away from her parents prying eyes seems like the perfect solution to her problem. Despite their protest, she leaves the comforts of home and takes the first step into college. She swears this time the only person to run her life is the person possessing it: her.Ex-Marine Spencer Downing has been waiting for a challenge to come his way, and his new assignment might just be the ticket. It wasnt just a simple protector job: he needed to disguise himself as a student, and keep an eye on a girl whos never been out of her parents roof. The catch is she must never find out. As the fates conspire to get Spencer and George closer, will they give in and provide a chance for their love to blossom? Or will the secret between them tear them apart?BROKENRebecca Hayes has joined Chases pack of delta protectors, and her first mission involves protecting two subjects a budding musician and his daughter. Despite her extensive military training and expertise, even she has to admit guarding two people would be difficult which is why shes getting a partner.Rebecca is in for the shock of her life when she meets Michael Gardner, the newest addition, and her partner, as well as the man who destroyed her heart many years ago. Michael is surprised to meet his former flame, and sees this moment as an opportunity to rekindle the bond broken between them. But how can he do that when the girl he left behind is now a woman determined to have nothing to do with him?Tanner Lees reputation in the music industry has reached a point where going out unprotected is no longer an option, more so for his daughter, Elizabeth, who he already hardly ever has time for. While he plays his bad boy image down to a T, a bigger part of him just wants to be the doting father Elizabeth needs and deserves. He hires Rebecca and Michael to protect them, and the spark that ignites between him and Rebecca is too strong to denyWith feelings she thought shed buried to the ground starting to resurface, can Rebecca and Michael work things out before their issues threaten to jeopardize the mission? Or will Tanner and Rebecca cross the forbidden line and find their own happy endingwith each other***Delta Protectors is a security romance, each book with a happily-ever-after ending. If you love hot sexy alphas, strong independent women, action, adventure, suspense, and romance, this is for you! Told in two POVs.
