The legendary novel of extraterrestrial war in an uncaring universe comes to comics, in a stunningly realized vision of Joe Haldeman's Vietnam War parable! The visionary Hugo and Nebula Award-winning SF tale by Joe Haldeman is beautifully realized in full color by the legendary artist Marvano. An epic SF war story spanning relativistic space and time, The Forever War explores one soldier's experience as he is caught up in the brutal machinery of a war against an unknown and unknowable alien foe that reaches across the stars.
