57ETn [Free PDF File] A City Owned: Murder by Increments #1: The true story of the worst case of serial sex homicide in American history

One after another, they appear by the sides of suburban roads and freeways - the naked, strangled bodies of women who have been raped,

tortured and left for dead. Police begin to suspect that their target is a rogue operator who has emerged from their own ranks. And then, all hell breaks loose in Los Angeles...An arrest in the strangling murders of two co-eds across state lines finally leads to a break in the case, but the mildmannered suspect remembers nothing about the crime of which he is accused. His attorney and a team of psychiatrists are convinced this is no lust murderer, but a mentally ill man tormented by an evil alter personality, the terrifyingly malevolent sexual sadist "Steve". But what if Steve is the final triumphant act in a psychopath's lifelong career in deception? None are prepared for the dark journey through the mazes of the human mind it will take to unlock the door to justice. From the author of the aviation disaster ebook bestseller "Gone: Catastrophe in Paradise", "A Citv Owned" is the first installment of the two-part series "Murder by Increments", the true story of the worst case of serial sex homicide in American history. One after another, they appear by the sides of suburban roads and freeways – the naked, strangled bodies of women who have been raped, tortured and left for dead. Police begin to suspect that their target is a roque operator who has emerged from their own ranks.
