Imagine what it would be like to be able to influence people. Not just to have them tolerate your ideas, but be really moved by them. What would it be like if you could easily get people on your side? What if you could turn every conflict in your favor, and easily get people to agree with you? Just think what this would mean for your career, your work, and your relationships. How much more successful would you be if you had the power of persuasion? Persuasion is not an art, it is a science. Anyone can learn how to create massive influence if they understand how to apply the right psychological principles. The key comes from learning how to bypass people's mental firewall of resistance, and implant ideas in their subconscious mind for the greatest possible impact. As with anything, knowledge is power. If you aren't using these tools to your advantage, then people are probably using them on you without you even knowing it! Stop being manipulated, and become a master of persuasion. In this book you will learn: How to bypass your target's critical factor and implant ideas in their mind covertly How you can change even the most stubborn person's mind with subliminal thought control The most effective psychological tactics for successful negotiation Advanced persuasion techniques to influence groups of people This book is highly actionable, with step-by-step exercises, to guide you on your journey of persuasive mastery. After listening to this book you will be able to: Apply the incremental persuasion method to lead your target to the desired outcome with no resistance Use the double bind strategy to control the outcome of your interactions - no matter what Stimulate people's curiosity with a two-part technique that will get them hooked on what you are saying Use the four factors of impulse to get people to respond to you immediately
