# [Download] Where Two Worlds Touch: A Spiritual Journey Through Alzheimer's

Jade Angelica shares the wisdom and hope she gleaned from caring for her mother and from many years working closely with Alzheimer's patients and carers. Challenging the predominant belief that people with Alzheimer's no longer have purpose, potential or the capacity for meaningful relationship, WHERE TWO WORLDS TOUCH is both a spiritual memoir and a pastoral guide for those who love someone with Alzheimer's. Readers will find here the reassuring words of a friend who has been there and can give advice on preserving connection, finding hope, self-care and staying open to the possibility of grace.
