# [Download] American Farm Country 2016 Calendar National Geographic

The beautiful images in this new National Geographic calendar title reflect on a time when the majority of Americans earned their living from the land. The sight of a red barn still offers a picturesque scene that most Americans identify with. American Farm Country 2016 proudly features images of sprawling fields under blue skies from the heart of the country. Each image is accompanied by compelling National Geographic information and a large grid with moon phases and international holidays. Proceeds from the sale of this calendar support vital exploration, conservation, research and education programs. The calendar includes a 3-year at-a-glance page and is earth friendly, printed with soya-based inks on FSC certified paper.
