[Download] License to Drive

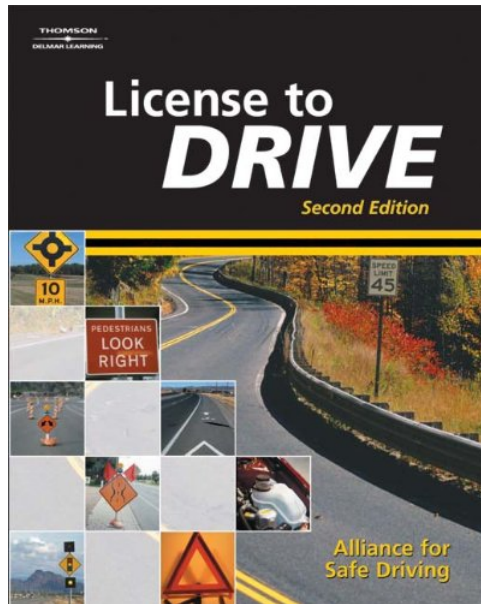

License to Drive 2E provides driving instructors with an integrated learning program. Using a realistic approach, it covers all major driver education issues, with an emphasis on safety and defensive driving that will appeal to all new drivers. All major driving methods are covered, including SIPDE, Smith system and IPDE. The focus is on practical solutions to everyday situations, with thoughtful coverage of such subjects as driving under the influence, sharing the road, challenging driving conditions and aggressive driving. Thought-provoking scenarios and evaluation questions in each chapter engage the student, provide a wealth of discussion material, and encourage active learning. The many components of this product complement one another, and may be used to create a multi-media learning environment. Components may also be used as teaching tools on an individual basis.
