# Nk8ma [GET] 200 Projects to Strengthen Your Art Skills: For Aspiring Art Students (Aspire)

Challenging tutorials, 35 imaginative projects to complete, and tips from professional artists introduce beginning students to the building blocks of art. This profusely illustrated book teaches serious beginners the fundamental skills of graphic design as an introduction to their formal study in fine art, illustration, computer game design, interior design, animation, and virtually all other avenues in the visual arts. The author advises on setting up a proper workspace and assembling the needed materials--everything from sketchpads and paints to affordable computer software. Chapters that follow present themes and related projects that instruct readers in DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
